THIS IS THE LIFE

COSTANERA AQUA

EVERYDAY WANDERLUST

La palabra "WANDERLUST" une dos vocablos, el primero, "WANDER," habla del sentimiento de perderse en lo nuevo, de explorar; y "LUST" describe la pasión. Es ese sentimiento tan extraordinario el que nos inspiró a crear AQUA, un viaje sensorial a través del diseño con detalles que evocan el lujo y la majestuosidad de los rincones más exclusivos de New York, Tulum, Singapour y Grecia.

Unites two ideas. The first, "WANDER", refers to the feeling of getting lost in the new, of exploring; and "LUST" describes the passion. It is that extraordinary feeling that inspired us to create AQUA, a sensory journey through design with details that evoke the luxury and majesty of the most exclusive corners of New York, Tulum, Singapore, and Greece.
